THE CHARLEROI MAIL

VOLUME XXI—NO. 86

CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, WEDNESDAY, SEPT. 15, 1920

TWO CENTS

COMPROMISE IN TELEPHONE RATE HAS BEEN ACCEPTED

Public Service Commission Order Follows Acceptance Of Agreement

MUST FILE NEW TARIFF RATE

One hundred and twenty complaints against the increased tariff schedule of the Bell Telephone company, effective last April for toll calls and in May for rental subscribers, were disposed of on Tuesday, when the Public Service Commission with slight modifications, adopted the compromise agreement reached last week by counsel for the complainants. The company is ordered to file new rates by November 1st.

The agreement restores free exchange to points within ten miles, or farther, at the discretion of community interest, and modifies various classifications which in several instances will reduce rentals. A 25 per cent reduction is ordered on private branch exchanges.

Individual cases where injustice is worked by the modified schedule will be considered. The commission has offered to co-operate in an investigation of the 6 1-2 per cent license revenue paid by the Bell Telephone company to the American Telephone and Telegraph company. Uniformity of rate must result from such a probe, it is thought.

In accepting the agreement modifying the rate schedules and ordering the company to file a new tariff by November 1, the commission criticized the method by which the company increased its rates May 1. The opinion says "the increased revenues under the new tariff would represent what the law contemplates as fair returns on a base much lower than any figures developed in the evidence."

The commission holds a basis has been established in the agreement for settlement of every well-founded complaint and reserves the right in dismissing the complaints to safeguard the interest of any communities which it will be found are subsequently necessary.

CHAIRMAN CAROTHERS NAMES ASSISTANTS

County Chairman C. E. Carothers has completed the roster of his committee and assistants for the coming campaign by appointing as assistant secretaries of the county committee the following: Wm. D. Hancher, Calvin R. Allen, Harry W. Murphy, Howard W. Hughes and John H. Murdock, Jr. The preliminary work of the campaign is well under way, the various committees having been in session at Washington on August 30, at which time plans were made for the work to be done before election day.

Hudson super-six, the superline car at Vetter Motor Car Co., Charleroi. \$6-14-

WILL OF FUNERAL OF MRS. T. W. CARROLL

The funeral of Mrs. Gwendola Miller Carroll, who died Tuesday at her home in New Castle, will take place Thursday afternoon, September 16, immediately after the arrival of the 4:00 o'clock train at Charleroi. Interment will take place in Maple Creek cemetery.

AWARDS WERE MADE ACCORDING TO RECORD

In order to set at rest any misunderstanding as to the winners of prizes in the recent agricultural and fashion show, the executive committee desires to say that all awards were made according to records as noted in the book kept by the Secretary. This statement refers particularly to the agricultural exhibit, it appearing that there had been some confusion occasioned by tags being misplaced. It seems that some of these tags were moved, and in other instances they had fallen to the floor, and being picked up, were placed on exhibits which had not been awarded that particular prize.

The judges in making their awards passed on each variety as a whole before passing to any other, thus potatoes were judged all at one time and prizes awarded; the same procedure was observed in all other displays, and as soon as an agreement was reached an immediate report was made to the Secretary, who made a record in his book. In sending out prizes the secretary's book was the guide, and not the particular location of the tags, which were disturbed considerably during the show.

"AFRICAN GOLF" RESULTS IN A BLOODY DUEL

Charles Palm, aged 28, and Edward Fairclaw, aged 26, both colored, and living in Donora, are in the Memorial hospital at Monongahela receiving treatment for wounds sustained in a quarrel which was precipitated by an argument during a "crap" game in a Third street house in that town early Monday morning. Palm is suffering from severe cuts about the head, neck and back, which were inflicted by Fairclaw who wielded a knife, while Fairclaw has a bullet wound in his right groin from a revolver in the hands of Palm. After the battle Palm, covered with blood, walked one mile to his home. Physicians called to attend both men had them sent to the hospital for treatment.

Mr. and Mrs. James McNatt and children Charles, Albert and Donald have returned to their home in Uniontown after spending several days with Mr. and Mrs. Bert McNatt of Speers.

WOULD PLACE ALL WIRES UNDERGROUND

The city council of Monongahela proposes to consider the question of having all wires within that municipality placed underground, as a measure of precaution. At a meeting of the city commission held on Monday evening the question was discussed and members seemed to be in accord on the proposition. This attitude was influenced largely by the electrocution of a man on Second street in that city last Saturday afternoon, when he grasped a live wire which had a voltage of 6,600. Wires of the West Penn. Power company and of the Pittsburgh Railways Company through the town carry high voltage, and a break in any of the lines makes it very dangerous to pedestrians.

ARBOR DAYS ARE NAMED BY GOVERNOR

Governor Spruiell on Monday issued a proclamation calling upon the citizens of Pennsylvania to observe Forest Protection Week during the period between September 26 and October 2. He urged all residents of the State to take action for the prevention and suppression of forest fires so that the five million of acres now barren because of fires may again grow trees.

Under the direction of Gifford Pinchot, the State's chief forester, the Pennsylvania Department of Forestry is making preparations for Statewide observance of the Forest Protection Week. Ministers, school teachers and leaders of civic and commercial organizations are asked to take active parts in the campaign to stop the fires that every year caused tremendous damage to the forests of Pennsylvania.

Watch the Essex. See it at the Vetter Motor Car Co., Charleroi. \$6-14-

RAILROAD MEN GET THEIR BACK PAY

About \$100,000 was distributed among 2,000 employees of the Monongahela Railway company on Saturday last, for the adjustment money which was awarded to the different railroads throughout the country by the labor board a short time ago. These back pay checks were for the months of May, June and July.

SUES GAS COMPANY FOR AUTO DAMAGES

Edwin A. Glenn has brought suit against the Philadelphia Company to recover \$2,500 damages to the plaintiff's automobile, which was burned on July 29, 1920. It is alleged that the fire was caused by escaping gas from a main of the defendant company.

The statement of claim sets forth that while the plaintiff was driving his Overland sedan along a public road in Somerset township, escaping gas from a main of the Philadelphia Company ignited and set fire to the machine. It is claimed that the machine was completely destroyed. The defendant company is charged with negligence in allowing the fire to become so rusty that it leaked.

CHILD KILLED BY CAR AT BENTLEYVILLE

Athelia Manipella, aged seven years, daughter of Mr. and Mrs. Arnold Manipella, of Bentleyville, was instantly killed about 6:30 p. m. Tuesday when she was struck by an automobile driven by Edward Watkins, of Ellsworth.

The little girl had been to a nearby store and had started across the street immediately behind a passing car. Her vision being obstructed she did not see the Watkins car and ran directly in front of it. Mr. Watkins, who was driving, did not see the child in time to stop before hitting her. She was struck and knocked down, death resulting instantly.

The body of the child was placed in the car and taken to the McDonough morgue at Beallsville, where it was prepared for burial.

MAKES BIG COLLECTION AND THEN RUNS AWAY

Stephen Kohr, employed by Mike Yuhus of Centerville, is alleged to have collected between \$1,300 and \$1,500 on Tuesday and absconded. It is said the collector went to Washington and from there to Pittsburgh.

Yuhus sent word from a wagon to residents of Vestaburg and vicinity, Tuesday was payday at the mines and Yuhus sent Kohr, whom he had known for years, around to collect sums from customers. He estimated that probably \$1,600 was secured by the collector.

When Kohr did not return late Tuesday afternoon, Yuhus immediately suspected something was wrong and tried to locate his assistant, who had been in his employ for seven months. After a search he learned that Kohr had prevailed on a Centerville citizen to take him to Washington. Kohr, in asking to be taken to Washington, said Yuhus was under arrest and that he wanted to furnish bail. Yuhus went to Washington and met the man who had assisted Kohr to reach the city, only to learn that the man had disappeared. Pittsburgh

PHYSICIANS UNVEIL TABLET TO HONOR WORLD WAR SERVICE

DEMOCRATS OPEN COUNTY HEADQUARTERS

County Chairman C. W. Hufford of the Washington County Democratic Committee, has opened headquarters on the first floor, rear of the Lockhart building, 84 South Main street, Washington, and is ready for distribution a supply of buttons, lithographs and literature.

DIRT TRACK RACING FOR FORD SPECIALS

What promises to be the most popular sport in the country is to have a real beginning in Pennsylvania at Monongahela on Saturday, September 18. Dirt racing with special Fords. With Michigan and Illinois leading in this sport, other states in the country soon followed and one-half mile dirt racing with special Fords seems to grow more popular with each race. Handsome money prizes are offered and as a rule so many are the entrants that qualification trials are necessary.

Ford racing in California has become an institution. The Ford cars are altered to such an extent that as much as \$2,000 is invested in one of them, so that one would hardly recognize them as one-time universal cars. Ninety-five miles an hour on speedways is not an unusual speed for these cars. Such speed is not to be expected on one-half mile dirt track, but the thrill and fun accompanying dirt racing with these cars are not to be had in speedway racing.

The Monongahela track is a one-half mile dirt track, and so located that it is easy of access from all towns in this section of the state. The unusual high interest shown in the Ford race recently at a track meet at Monongahela seems to assure a successful race on the 18th of September. Little or no work was done on these cars to make them fast and only local young men of Monongahela were contestants, yet so enthused were the spectators that a real Ford race was inevitable. Now the people of Pittsburgh, Uniontown, Connellsville, Monongahela and surrounding towns are to have an opportunity to display their abilities as drivers. An added attraction will be a 10-mile motorcycle race, which will complete the bill for the afternoon.

SPECIAL PRIZE FOR CHRISTIAN CHURCH

At the recent agricultural and fashion show a special prize of \$3.00 was awarded to the Ladies Aid Society of the First Christian church. Mention of this was unintentionally omitted in the publication of other prizes on Tuesday.

I will collect that rent, positively in advance and guarantee no vacancies. Clyde B. Cope, Real Estate and Insurance, 315 McKean avenue. 21-1f

Memorial Will Likely Find Permanent Place In Court House

ENTERTAINED AT MORGANZA

Washington county physicians who served their country during the world war were honored on Tuesday when a bronze tablet was unveiled and dedicated at the September meeting of the Washington County Medical Society, held at Morganza. On the tablet are the names of approximately 120 physicians who served in the Medical Corps, on the Advisory Boards and the Volunteer Medical Corps of the United States Army. The Society has not definitely decided in what building the tablet will be placed permanently, but it will probably be in the court house at Washington, where a bronze tablet of Company H, 110th Infantry, already adorns a tablet.

The tablet of the Washington County Medical society is plain in design. On it is an appropriate inscription with the tablet proper surmounted by a spread eagle. It is five feet high and three feet wide.

Dinner was served the visiting physicians at 11:30 o'clock, following which they were escorted about the grounds and buildings of the Pennsylvania Training School by Superintendent W. F. Penn and other officials. In a brief talk Superintendent Penn stated he believed the institution was reclaimed 75 per cent of the boys and girls sent there.

A brief business session preceded the unveiling of the tablet. Congressman Henry W. Temple of Washington unveiled the tablet and made an inspiring address, in which he eulogized the work of the physicians during the war. Chaplain H. A. Riddle of West Alexander, received the tablet in behalf of the society. His address was one of the features of the occasion.

Excellent selections were furnished throughout the program by the big band of the school, probably the best of its kind in the state of Pennsylvania. The physicians were unanimous in their praise of the hospitality shown them by Superintendent Penn.

ENGINEERS' CLUB MEETS THIS EVENING

The second meeting of the Charleroi Club American Association of Engineers, will be held this evening, September 15, at 7:30 o'clock, at the Hotel Wilbur. The club already has eighteen members, and it is expected that sufficient applications will be on hand this evening to make the number twenty-five or thirty. Interesting topics will be discussed at this meeting.

A "WILSON" FIGHT IN TEXAS

According to one of ex-Senator Bailey's critics, the friends of this Texas Democrat "claim, and he seems to claim himself, that he has the strength of Samson, the intellect of Thomas Jefferson, the literary excellence of Shakespeare, the oratorical ability of Demosthenes and the statesmanship qualities of Gladstone." It will hardly be generally admitted that Mr. Bailey possesses such great and varied talents, but it is widely known that he is a practical "kicker" and opposed to just about everything, including of course the Wilson administration. In the Democratic primary election of July 24 Mr. Bailey sought to become governor of Texas on an anti-Wilson ticket. Three other Democratic candidates entered the contest against him, all running as "Wilson men." Mr. Bailey got 33.78 per cent of the vote, while the Wilsonites received 36.22 per cent. As none of the four candidates had a majority, a second primary was held on August 28.

This time the Wilson Democrats united on a single candidate and when the count was complete in all but a few unimportant districts the Wilson candidate was found to be 73,000 votes ahead. Thus once more it is shown, contrary to repeated assertion, that the majority of the Democrats of this country approve of and are ready to support the Wilson administration.

A SLAP IN THE FACE

Down in Georgia, the very heart of Democracy, Thomas E. Watson, bitter opponent of the Wilson administration in all its phases and particularly of the League of Nations in any form, will succeed Hoke Smith in the United States senate on the 4th of March next unless he dies in the meantime or is defeated by an Independent Democrat in the November election. Practically complete returns from the Democratic primary held last Wednesday show Watson has overwhelmingly defeated Senator Smith, who was running to succeed himself, and also Gov. Hugh M. Dorsey. The nomination of Watson means a slap in the face for the Wilson Administration and for any sort of a League of Nations. Watson, who has opposed the Wilson administration practically from the start, entered the race an avowed opponent of the President and the League. And the same answer has been made in every other state where United States Senators have been candidates to succeed themselves, with the possible exception of Oklahoma where Senator Gore was defeated by a small margin.

SENTIMENT FOR HARDING

The returns from Maine indicate that the Republicans are united and have largely increased their vote over four years ago, when they carried the State by approximately 12,000. In the election held on Monday the Republican candidate for Governor led his opponent by approximately over 60,000 votes, certainly an overwhelming victory. As a showing on the "solemn referendum" which Mr. Wilson wanted on his League of Nations the vote is expressive of the sentiments of the people of the Pine Tar state that they want none of it, preferring to stick to Nationalism and the United States rather than internationalism and the creation of a super-state. Moreover the vote indicates the trend of sentiment, which has been flowing toward Harding with increasing force ever since his nomination at Chicago in June.

SHEAR SENSE

Chicago Tribune. The difference between Mr. Wilson in Paris and the American council member in Geneva is that Wilson was without authority and the council member would have full authority.

Newark American Tribune—Real Rooseveltians say that the F. D. Roosevelt in the name of the tail end of the Democratic national ticket stands for False Doctrines.

Remember your dead. W. S. Cook and Co. Monuments with Law-rence Frye Funeral Director. 206 1/2

PLUTOCRACY AND ARISTOCRACY

One thing to be said for the Democratic combination has thus far been overlooked: Cox is a multimillionaire; Franklin Roosevelt is the "glass of fashion and the fount of form." Cox can furnish the coin and Frankie can supply the social etiquette. Spondulix and pink tea.

St. Louis Times—A nation that neglects its own affairs to meddle with those of the rest of the world is as worthy of condemnation as the man provideth not for his own, and especially those of his own household, whom St. Paul branded as worse than an infidel. But perhaps St. Paul was narrow and provincial.

Harvey's Weekly—Senator Harding's acceptance speech was an address which was at once reminiscent of the inspired utterances of the Fathers of the Republic and completely characteristic of the speaker himself and practically applicable to the vital issues and needs of the present day.

Philadelphia North American—A mail carrier in Cleveland is accused of selling letters to a ragman instead of delivering them. He probably looked at Burleson's date stamps and thought: "Oh, what's the use."

Dubuque Times-Journal—Perhaps after all the League of Nations would keep us out of war the same as Wilson did in 1916.

Fall Opening of Printzess Coats and Suits

Whether your preference in a coat or suit is for the conservative or the unusual, it will be completely satisfied at the showing of Printzess garments we have on display.

There are models specially designed for every type—the conservative matron—the smartly groomed younger woman—the dashing debutante. And even the school girl of minor years can be as stylish as mother or older sister in her comfy "Printzess Cadet" coat.

Your appreciation of perfection of line, of

smart proportions, of delightful fabrics will be completely satisfied. And to assure you of that intangible, unseen finish which determines the life of a garment, and which can be tested by time alone, the maker adds his signature—the Printzess label, "Distinction in Dress."

And we sponsor to this pledge of the maker's good faith in the high standard of merchandise upon which we have built our reputation. Thus the Printzess label in your coat or suit carries with it a double guarantee of enduring style and quality.

Physician Explains Why He Prescribes Nuxated Iron for Run-Down, Anaemic People

Says It Quickly Increases the Strength and Energy of Men and Brings Roses to the Cheeks of Nervous, Run-down Women

Ask the first healthy-looking person you meet to what they owe their strength and energy and see how many reply "Nuxated Iron."

Over Four Million People Annually Are Taking Nuxated Iron

Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (Out-door Dept.), of New York and the Westchester County Hospital, says: "Thousands of nervous, run-down, anaemic people suffer from iron deficiency but do not know what to take. There is nothing like organic iron—Nuxated Iron—to quickly enrich the blood, and thereby put roses in the cheeks of women and give men increased strength and energy."

Unlike the older forms of iron, Nuxated Iron does not injure the teeth nor upset the stomach, but is readily assimilated and you can quickly recognize its action by a renewed feeling of buoyant health. No matter what other iron remedies you have used without success if you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired; next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. To be absolutely sure of getting real organic iron and not some form of the metallic variety always ask for

Nuxated Iron in its original "pill" form, which is well known to druggists everywhere. Unlike the older inorganic iron products it is easily assimilated and does not injure the teeth, make them black, nor upset the stomach. Each tablet of genuine Nuxated Iron is stamped into the shape of a cross and the words "Nuxated Iron" are stamped into each corner, so that the public may not be led into accepting inferior substitutes. The manufacturer guarantees successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed by all good druggists in tablet form only.

TWO FAST GAMES ARE SCHEDULED

Local base ball fans are promised two fast games this week, with the championship of the valley as the outcome. The contending teams will be the local Independents, under Manager John McVaine and the Donora Wire Works, winners of the championship of the Donora home league.

The first game will be played Thursday evening at the local park, game being called at 5:30 o'clock. Luterries will be McVaine and Mar-hinet for Charleroi and Glaab and Copic for Donora. Glaab is the prize pitcher for Donora, and the visitors hope to cop the game.

Saturday afternoon at 4:30 o'clock the second game will be played, Furnier and Claybaugh making up the local battery, with Cy McGinty and Copic officiating for Donora. This game will also be played at the local park.

Both teams are fast and two exciting contests may be expected.

NO MORE DANCES AT THE SUMMIT

Instead of the dancing and revelry at the Summit Hotel, a favorite resort for so many people from this section of the state, has settled down to a policy of peace and quietness, with a permanent ban placed on dancing. Labor Day was the last dance to be held at the Summit, according to Manager Leon L. Heyn, who at the same time announced his plans to cater to the elite and those who prefer the quiet life. The policy will be maintained as long as the Summit is under the present management. Guests at the Summit in the future are given every assur-ance of tranquility.

WET WEATHER THREAENS DAMAGE TO CROPS

Farmers of Greene county are washing for a few days of dry weather. The ground has been so wet in some sections that potatoes are beginning to rot. The corn is now fully matured and several dry days would ripen the grain, as well as be of great benefit to the potato crop. The corn crop, if permitted to dry out, will be above the average this year.

HEAVY FOGS DELAY RIVER NAVIGATION

The heavy fogs of the past few days is holding up towboats on the Monongahela, and as a consequence the output of river coal is being materially reduced. Boats are holding as near to schedule as possible, but no headway can be made in fogs. An increase in railroad coal has been noticed during the past week.

We wish to thank our friends and neighbors for their kindness and sympathy shown us during the illness and death of our beloved daughter. Especially do we thank those who sent floral tributes.

Mr. and Mrs. Frank Kohut. 86t1

Good Investment For Any One Splendid property on Fallowfield avenue, 2 lots containing 2 small dwellings and large stable. For particulars see John C. McKean, agent. 86-t10

Lieutenant Commander Perlman, U. S. Navy, with headquarters in the Union Arcade building, Pittsburg, visited Charleroi today and looked over the local naval recruiting station.

Rev. John R. Burson, while in Pittsburg on Tuesday attending a meeting of the Presbytery, paid a visit to George W. Dawson at the Allegheny General Hospital. He found Mr. Dawson considerably improved.

Philadelphia Press—If we were in the League of Nations now, as Mr. Wilson wanted it, we might ben-efiting some of the peace that tran-quillizes Europe this blessed minute.

Dr. and Mrs. F. C. Stahlman and Dr. and Mrs. Edwin McKay attend-ed the meeting of the Washington County Medical Society at Morg-anza on Tuesday.

WOMEN GIVE OUT

Housework is hard enough when healthy. Every Charleroi woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Charleroi woman's experience:

Mrs. W. H. Henderson, 514 Follow-bell Ave., says: "I think too much hard work and being on my feet a good deal caused my kidney trouble some time ago. My back was very weak and I often became dizzy and black spots appeared before my eyes. My head seemed to never stop aching and I was so nervous I could not sleep. My kidneys acted irregularly, too. Doan's Kidney Pills improved my condition wonderfully, pushing out my kidneys and strength-ening my back. I can't say too much for Doan's."

Price 60c, at all dealers. Do not simply ask for a kidney remedy, get Doan's Kidney Pills—the same that Mrs. Henderson had. Foster-McMullen Co., Buffalo, N. Y.

Fordson Farm Tractor

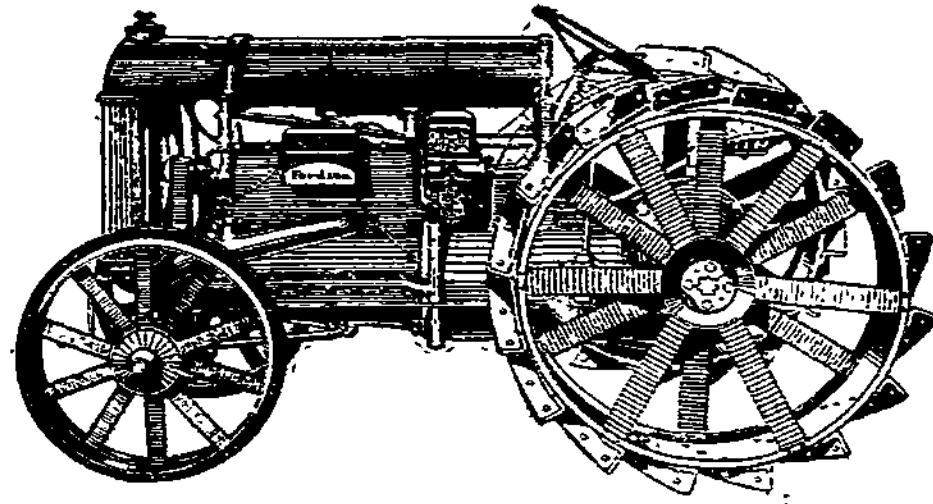

TRADE MARK

The after-service that goes with the Fordson tractor is second to none. Fordson dealers are located in every community with stocks of repair parts and employing skilled mechanics who know just how the Fordson should be repaired and taken care of to do its best work.

This Fordson service means that your tractor can be kept busy every working day during the entire year; that Fordson repairmen are ready to show you how to get the best results from the tractor.

Fordson service insures you against delay in getting parts. It is your protection. It is a protection now being enjoyed by more than 100,000 Fordson farmers in the United States.

Let us tell you all about the Fordson tractor and Fordson service. Let us demonstrate the Fordson on your own farm. Come in and let us prove everything we say.

Ride Farther on Goodyear Tires in Your Small Car

It is tire performance, not price, that decides what you really pay; hence, do not experiment with tires made to sell at sensationally low prices.

You can secure in Goodyear Tires, of the 30 x 3-, 30 x 3½- and 31 x 4-inch sizes, a high relative value not exceeded even in the famous Goodyear Cord Tires on the world's finest automobiles.

Goodyear experience and care are applied to their manufacture in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires; take advantage of the opportunity to get true Goodyear mileage and economy.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$23.50

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3½ size \$4.50 in waterproof bag

All Good Druggists

100% Mankind Clothes

The various models we are showing in Society Brand Clothes emphasize the desirability of simplicity in designing and finishing in men's fashions.

Young men who want the very smartest clothes, but without a particle of "foppishness" will be pleased with our fall models.

And those men who stay young will be equally well-satisfied.

Come in and see for yourself.

Remember, we guarantee every thing.

JACK M. TEIT-LEAUM

As a child you had a hunch that the longer you live the stronger the energizer and Whistle is liquid Sugar-Energy.
